# God Provides for Elijah

### WHAT'S THE POINT?

According to John 14:26, God has provided the Holy Spirit to be our <u>Helper</u>. He <u>helps</u> by teaching, comforting, convicting, prompting, interceding... the list goes on and on. It is hard to imagine life without the <u>help</u> provided by the Holy Spirit.

What kind of <u>help</u> do you need today? The Holy Spirit says, "I will <u>help</u> you cope." "I will <u>help</u> you continue on." "I will <u>help</u> you make a wise decision." "I will <u>help</u> you overcome." "I will <u>help</u> by meeting your need."

As a Beach Club leader, you must depend on the <u>help</u> God provides. Just ask Him! He will <u>help</u> you deal with a challenging behavior issue. He will <u>help</u> you identify new volunteers for your club. He will <u>help</u> you find an answer for a child's difficult question.

It's comforting to know that we are not left alone to navigate life and figure things out. God wants to <u>help</u> us. He wants us to ask Him for <u>help</u> and depend on Him to provide for our needs. God is ready, willing, and able to do for us what we can't do for ourselves.

Building relationships in Surf Teams; introducing today's lesson

### No supplies needed

Use the following conversation prompts to get to know the kids in your Surf Team and to introduce today's lesson.

- Today's story takes place at a time when there was no rain, so the people had no food. How would you feel if you had no food at all?
- Our character word today is <u>helpfulness</u>. What does <u>helpfulness</u> mean?
- Tell about a time that someone helped you.
- Tell about a time that you helped someone else.
- There are people in our town that have no food. What can we do to <u>help</u> them?

### **Worship Tip**

When introducing a new song, be sure to have the words visible for all clubbers. You can print the words on posters or use an electronic projection system. Take time to explain what the words mean and what the song is about. Define words that might be unfamiliar or especially "churchy." Adding motions to the song helps clubbers remember the words and makes the experience more enjoyable for kids. On weeks when you introduce a new song, make sure the other songs are ones they know well so that everyone will participate.

### **MEMORY LINK**

Teach a Bible verse to clubbers; help them to memorize the verse

No supplies needed

### Focus on the Bible

Explain that today's story and memory link are found in the Old Testament. Remind the kids that the Old Testament is at the front of the Bible and was written many years before Jesus was born. Ask how many books are in the Old Testament (39 books).

Tell the kids that today's memory link is found in the book of Psalms which is found in the middle of the Bible. Direct the clubbers to close their Bibles and try to open them in the very middle. They should be in Psalms. Then help them find Psalm 46:1 (page 591). Ask a volunteer to read the verse aloud as the others follow along.

### Focus on today's Memory Link

Tell the kids to close their eyes and imagine that they are a cat and are being chased by a big dog. Ask them where they would run for safety (up a tree, under the bed, etc.). Explain that for the cat that place is a refuge, or a place of safety.

Guide kids to read Psalm 46:1 again (page 591). Who is our refuge? Who is our strength? When we are afraid where does the verse say we can we go to for help?

Today's character word is helpfulness, which means giving assistance to someone in need. Our verse says that God will help us in times of trouble. That is amazing! God, who created the universe and everything in it, is ready to help you! Think about times that God has helped you. He cares for you and provides what you need. You can show your gratitude to God by helping others. Everytime you help someone in need, you show God's love.

### **Option 1 - SOFT VOICE/LOUD VOICE**

Memory Link poster with the words refuge, strength and help highlighted

Instruct each surf team to sit in a circle. Show the group the memory link poster. Tell them to read the verse saying the words very softly until they get to the underlined words. When they read the highlighted words they should use a loud voice. Repeat the verse several times using the soft voice/loud voice technique. After a few rounds, hide the verse and see if the group can still recite the verse.

### **Option 2 - SIT DOWN**

### No supplies needed

Tell each Surf Team to stand in a circle. Pick one clubber to be first and have them say the first word of the verse. The next person says the next word and so on around the circle with each clubber saying one word. The clubber saying the last word "trouble" must sit down. Start over with the first word and direct each clubber left standing to say a word. Again, the clubber saying the last word "trouble" must sit. The last clubber standing wins.

# LESSON 12 "HELPFULNESS"

(page 2)

### Psalm 46:1

"God is our refuge and strength, a very present help in trouble."

(KBC Study Bible pg. 591)

### **Teaching Tip**

Proximity is a great deterrent to off task behaviors. When kids get off task, simply stand beside them or place your hand on their shoulder. There is no need to stop the lesson or say their name, which can be embarrassing to the child. Walking around as you present helps keep their attention.

### **BIBLE CONNECTION**

LESSON 12
"HELPFULNESS"
(page 3)

Teaching today's character word through gospel-centered Bible story

A clear jar filled with flour and a clear jar filled with olive oil

### **Introduce the Story**

Show the clubbers the jars of flour and oil. Explain that these two ingredients were used to make bread in Old Testament times, and bread was their main food. Ask the kids what you need to make flour (wheat) and olive oil (olive trees). Point out that both wheat and olive trees are plants that need water to grow. In today's story, it did not rain for years so plants could not grow. You'll hear about a man named Elijah, and how God helped him when he had no food to eat.

### 1 Kings 17:1-6 🛄

Guide kids to open their KBC Study Bibles to 1 Kings 17:1-16 (page 376). Ask a child to read the heading above chapter 17 (Elijah Proclaims a Drought). Explain that a drought is a time when there is no rain for a very long time. At the time of our story, Ahab was the king of Israel and he worshiped false gods. He prayed to the false god, Baal, to bring rain. The one, true God sent Elijah to the king to warn him about worshiping false gods.

Elijah told the king that he represented the Lord God, and God said there would not be any rain or dew for many years. I imagine the king thought his false god, Baal, could make it rain, but he could not. No rain or dew meant no crops and no food. Elijah's message made the king very angry and Elijah had to run away from the angry king. God told Elijah to go to a brook and hide there. So Elijah did what God said. He hid by the brook and had clean water to drink. Every morning and evening, big black birds, called ravens, brought him bread and meat to eat.

### 1 Kings 17:7-11

Since there was no rain, the brook eventually dried up and Elijah had no more water to drink. God told him to leave the brook and go to a nearby town to live. He said a widow would take care of him. Elijah trusted God, so he went to the town and found a widow gathering sticks right at the gate of the city. Elijah called out to her and asked her to bring him a cup of water and some bread.

### **Talk About It**

A widow is a woman whose husband has died. This meant she was probably poor because in those days only men had jobs. She also had a young son to feed. Since it had not rained in a long time, she could not grow wheat or olives, so food was very scarce. Point to the jars of flour and olive oil.

### 1 Kings 17:12-16

When Elijah asked her for water and bread, the widow replied that she had only had a handful of flour and a little oil left. In fact, she was gathering sticks to build a fire to cook her last bit of bread. She knew that after her family ate this last piece of bread, they would starve to death. Elijah gave her good news. He said that the Lord God would help them. He told her to make him some bread first, and then make some for her family. And here is the good news. Hold up the two jars as you continue. Elijah told the widow that until there was rain, God would never let the bin of flour or the jar of oil become empty. The widow did what Elijah told her, and it happened as God promised. Her family and Elijah were able to eat for many days and the flour bin and olive oil jar were never empty.

### **Teaching Tip**

Guide the clubbers to find the Bible reference for the story and keep it open as the story is told. Hold the Bible when you are telling the story and refer to it often. Tell the students to read from it during the story, find important names, and locate answers to questions. It is very important for the kids to understand that the story is from God's word and is not fictional.

|   |                                       |

### Talk About It

Explain that both Elijah and the widow had to trust that God would <u>help</u> them by providing for their needs. How did Elijah show he trusted God? How did God <u>help</u> Elijah? How did the widow show she trusted God? How did God <u>help</u> the widow?

### **Gospel Connection**

Just as God <u>helped</u> the widow and Elijah, He can <u>help</u> you by providing for your needs. When God sent His son, Jesus, into the world, He <u>helped</u> provide for your biggest need: forgiveness of your sins. If you want to receive forgiveness of your sins, the Bible says that you must first ADMIT you are a sinner and ASK Jesus to forgive your sins. You can BELIEVE that Jesus' sacrifice on the cross paid the price for the sins. Finally, CHOOSE TO FOLLOW Jesus by confessing Him as your Savior and making Him Lord of your life.

Invite children wanting to know more about becoming a Christian to move to the designated area to meet with a leader one-on-one.

### **Application/Transition**

Once you make Jesus your Forever Friend, you will begin to understand God's plan for your life. You will be able to see how He <a href="helps">helps</a> you everyday by providing for your needs. It will inspire you to want to show God's love by <a href="helping">helping</a> other people at school and at home. Talk about how Elijah <a href="helped">helped</a> the widow by sharing God's promise and how the widow <a href="helped">helped</a> Elijah by sharing the food God provided. Emphasize how they <a href="helped">helped</a> each other and God <a href="helped">helped</a> them both. Ask kids to share ways they can <a href="help">help</a> people who are in need of <a href="help">help</a> at school, at home, and in their neighborhoods.

# LESSON 12 "HELPFULNESS" (page 4)

### **Teaching Tip**

During the Bible
Connection time, involve
the kids when possible
and let them help. Ask
them to read the scripture,
help act out the story,
answer questions and/or
hold teaching props. The
more clubbers you can
involve, the more included
and needed they will feel.

When talking with a child, keep your questions open ended. Open-ended questions start with what, why, and how. Good questions include: "Why did you raise your hand (or stand up)?" "What can you tell me about Jesus?" "How have you sinned?" "What decision would you like to make right now?" Avoid questions that can be answered with "yes" and "no." Kids can read your body language to discern how you want them to answer those "yes or no" questions. Keep your body language neutral and your questions open ended. Listen carefully and allow the child to lead the conversation. Depend on the Holy Spirit to help you.

### **SURF TEAM TIME**

5-10 MINUTES

LESSON 12 "HELPFULNESS" (page 5)

Connecting with kids in small groups; applying today's Bible Connection and Character Word

Memory Link Cards, Hang 10 page, index cards, pens

### **Gospel Connection**

Before you begin, ask if there are any clubbers who would like to talk with the Bible Connection Leader about praying to ask Jesus to become their Forever Friend. If so, let them go to the designated area.

### **Today's Lesson**

- What questions do you have about today's story?
- How did God help Elijah and the widow?
- Describe a time when someone helped you.
- How can you help others at school? At home?
- How can you ask God for help?

### **Pray**

<u>Help</u> the kids understand that praying is a wonderful way to provide <u>help</u> for someone. God's <u>help</u> is always best and God knows the best way to meet needs. We just need to ask Him!

Challenge the kids to pray, either silently or out loud, for someone they know who needs <u>help</u>, or to ask God for <u>help</u> in a situation they face.

God, thank you for <u>helping</u> us by giving us what we need. Let us remember to show God's love by <u>helping</u> others.

## Use the Bible

Give each child a Memory Link card. Review today's Memory Link and Character Word. Guide kids to use cards to mark today's story in their KBC Study Bibles. Lead them to highlight today's Memory Link.

# Hang 10 Pages

Give each child a Hang 10 Page. Challenge kids to hang out with God 10 minutes each day by praying and reading the Bible, using the Hang 10 page as a guide. Encourage kids to bring back their Hang 10 pages next week.

# More at Home

Draw kids' attention the the "Bible Treasures" section on page 377 of their KBC Study Bibles. Read the first paragraph to the clubbers to review today's story. Then tell them they can read the rest at home to find out what happened next to the widow and her son. Point out that the rest of the story is told in 1 Kings 17: 17-24.

### **Teaching Tip**

Connecting with the clubbers is very important. Make eye contact with the kids and use their names when possible. Praise those who share and be encouraging to all who volunteer to help. Forming relationships with the kids is what it is all about! Only when they trust you and know you care about them, will they be ready to hear about God's love for them.

### **Teaching Tip**

Since today's session deals with people who did not have food to eat, you may have a clubber share that they, too, don't have food at home. Contact the school counselor first to talk about how you or the partnering church might be able to help meet that need. Always make a coordinated effort with the school for ministry needs.

### **MAKE IT STICK - REVIEW GAME**

5-10 MINIT

LESSON 12 "HELPFULNESS" (page 6)

Game to review today's Bible Connection & Character Word

### **Option 1 - BEANBAG HORSESHOES**

| Bean | baas. | а | cone |
|------|-------|---|------|
|------|-------|---|------|

Divide the kids into equal teams and have each team line up in a single file. Place the cone several feet in front of the teams. Give the first person in each line a bean bag. At the signal, have each kid throw their bean bag, trying to get it as close to the cone as possible. The one that tosses their bean bag closest to the cone, gets to answer a review question. The first person then goes to the end of the line. Continue until everyone has a chance to toss the bean bag and all the review questions are answered.

### **Option 2 - SHUFFLE RELAY**

Bean bags, cones

### **Prepare**

Divide the kids into equal teams and have each team line up in a single file. Place a cone about 10 feet in front of each team.

### **Activity**

Tell the first person on each team to place a bean bag on each of their feet. At the signal the first kid on each team will try to shuffle down to his cone and back without dropping the beanbags. The first one back gets to answer a review question.
