The Vision from our Founder & President

The **Great Commission** commands us to go and make disciples by taking the gospel where people are. Where are millions of children each day? Public schools. The U.S. Supreme Court has made it legal to share the gospel in public schools, and not taking advantage of this open door is a **great omission** and missed opportunity. We are thankful for the privilege of partnering with a record number of churches in 11 states this year to go outside their walls and share the gospel in after-school Bible clubs, giving kids a Jesus experience in a place you wouldn't expect: their own school. To God's glory, nearly 9,200 children have made Jesus their Forever Friend in Beach Clubs! In addition to sharing the gospel, KiDs Beach Club® provides a KBC Explorer's Study Bible to every child in every Beach Club. We celebrated God's provision of being able to hand out more than 65,000 Bibles (65,694) in public schools since the ministry began in 2003. God is positioning KIDS Beach Club® to be a spiritual wave for children across the United States and we are praying for the opportunity to partner with you so we can join together on this exciting journey!

Jack

Founder & President

Our Mission & Vision

KiDs Beach Club® is an innovative ministry established to mobilize the church to go outside its walls in order to take the message of Jesus Christ into the heart of its community.

Our vision is to provide every 3rd through 6th grade boy and girl a Jesus experience within the culture of their public school! We are connecting kids to Christ and putting Bibles in their hands.

Great Treasure Day

"I rejoice at Your word as one who finds great treasure." — Psalm 119:162

God's Word is the greatest treasure on earth and it is the centerpiece of our ministry. We want every child to have their very own copy to read, study, share and grow from making a daily and eternal impact on their lives.

Bibles for Beach Club Program

KiDs Beach Club® implemented Great Treasure Day in the spring of 2015. That is the day that every child in every Beach Club receives his or her very own KBC Explorer's Study Bible at no cost to the child, church or the school. Since the first Great Treasure Day that spring, KiDs Beach Club® has distributed **44,629 Bibles** thanks to our passionate donors. Since KiDs Beach Club® began distributing Bibles in 2003, we have been blessed to deliver a Bible to **65,694 children** through this past fall. As a result of the Benefit Dinner in April and our Bibles for Beach Club program, KiDs Beach Club® was able to order another **10,000 Bibles**, which we project will allow us to provide Bibles through the next school year. Kids in third through sixth grades participate in our after-school program, but our partnering churches might not be able to minister to these children for all four years. Look at this past year, for example. We provided a Bible for the very first time to more than half the kids enrolled in Beach Club. Increased mobility rates of young families make the window to reach these children for Christ even shorter, and as a result, many new kids enroll in our clubs each semester, so we're not just handing out Bibles to new third graders. All grades see new faces and since everyone in Beach Club receives a Bible, we're providing more Bibles each year.

What Makes KiDs Beach Club® Unique?

KiDs Beach Club® is a multi-dimensional ministry that serves as a bridge between **churches** and **schools**. Every element of KiDs Beach Club® fosters positive relationships and establishes ongoing partnerships between **churches** and **schools** to benefit the whole community.

Impacting Communities for the Kingdom

Our proven methods mobilize a **church** to go outside its walls in order to take the message of Christ into the heart of its community, providing 3rd-6th grade students a Jesus experience within the culture of their public **school**.

Sharing Christ in Public Schools

We value education and equip a **church** to support its neighborhood **school** community by teaching Biblical character to students & reinforcing developmental assets while showing the love of Christ to school administration, faculty & parents.

Connecting Families to a Church Family

Parents want to help their children develop spiritually but often feel unequipped to do so. KBC provides tools, training & support for **churches** to effectively connect with parents, building relationships that bridge the gap between a **school** community & a faith community.

Fostering Life Change in the Hearts of Children

Children are at the center of KBC. We equip & facilitate Christ-centered role models from both a **church** & a **school** who invest their time with students & point them to a personal relationship with Jesus Christ.
