ABOUT THIS EVENT

The oldest known tree in the State of Texas is called the "Big Tree" near Rockport. Although it's impossible to know the exact age of the mighty oak, botanists estimate it's between 1,000 and 2,000 years old!

When I think about how long that oak tree has been here, and how very short a period of time, relatively speaking, Father gives us here on Earth, it makes me realize how important it is that we catch HIS vision for our lives as quickly as possible. And then we must do whatever we can to fulfill that mission and make a multi-generational impact for the Lord.

That's what KiDs Beach Club® is doing by sharing Jesus with students in public schools. We are fulfilling Father's vision for our lives, and changing the lives of those precious kids and their families for generations to come. And we simply cannot do it without your help.

Our annual Bibles for Beach Club Benefit Dinner is fast approaching, and we once again ask for your support with our largest fundraising event of the year. As a sponsor of the event, you will be standing side-by-side with KiDs Beach Club® in ministering to thousands of students across America who need to hear the good news that Jesus loves them.

Our upcoming event inside the Speedway Club at Texas Motor Speedway is going to be filled with inspiring stories of lives that have been changed, a world-class guest speaker and an exciting live auction for our guests. But we need a number of sponsors for the event as we anticipate phenomenal growth in the number of clubs and the number of children we'll reach in the coming year.

This brochure outlines our sponsorship levels and the tangible benefits you'll receive for your support. But I can assure you that the most important benefits are the spiritual blessings you'll receive for being part of a ministry that changes lives forever.

Please call me at **(817) 510-5885** or email me at jterrell@kbcmail.org to get on board as a sponsor.

We love you, and we need you!

May Father richly bless you for your generosity as you support our Bibles for Beach Club Benefit Dinner.

Thank you for your support!

ABOUT OUR KEYNOTE SPEAKER

One of Christianity's most prolific pollsters will be the keynote speaker at the 2020 Bibles for Beach Club Benefit Dinner. George Barna, Founder of the Barna Research Group, has written more than 50 books, mostly addressing cultural trends, leadership, spiritual development, and church dynamics. They include New York Times bestsellers and several award-winning books.

In his book *Transforming Children into Spiritual Champions: Why Children Should be Your Church's #1 Priority*, Barna presents the results of his survey data which indicates that nearly half of all Americans who accept Jesus Christ as their Savior do so before reaching the age of 13. The data was so overwhelming it led him to make the eye-opening statement, "If people do not embrace Jesus Christ as their Savior before they reach their teenage years, the chance of their doing so at all is slim."

Barna's work is frequently cited as an authoritative source by the media. Barna has been hailed as "the most quoted person in the Christian Church today" and has been named by various media as one of the nation's most influential Christian leaders.

A frequent speaker at ministry conferences around the world, he has been on the faculty at several universities and seminaries, and has served as a pastor of a large, multi-ethnic church as well as a house church, and has helped to start several churches.

After graduating summa cum laude from Boston College, Barna earned two Master's degrees from Rutgers University and has a doctorate from Dallas Baptist University.

After attending high school and college together, George and his wife Nancy married in 1978. They have three adopted daughters and one grandchild, live on the central California coast, and attend Mission Church in Ventura. He enjoys reading, music, rooting for the Yankees and Lakers, and relaxing on the beach.
