

KiDs Beach Club may look a little different during this pandemic, but we have a way for your church to make an even greater impact on your community during this time.

When schools re-open to after-school activities, we will resume Beach Club as we know it by ministering to students on their public-school campus but until then you can stay connected with:

## Beach Club at HOME!

In the spring, more than 12,000 children engaged in **Beach Club at Home!** With COVID-19 making it uncertain when students and volunteers will be allowed back into their schools, we are expanding **Beach Club at Home!** with attendance tracking and a new combination of virtual and in-person Beach Clubs to keep you connected now and when schools re-open their after-school activities.

### OPTION #1 VIRTUAL SCHOOL + IN-PERSON SCHOOL

**Entire 24-week KiDs Beach Club® program complete with registration and attendance features for both virtual and in-person clubs.**

The most complete package with several NEW and exciting tools to provide the most effective ministry during pandemic restrictions and a seamless return to in person ministry when schools re-open to volunteers and guests. PLUS you can continue your virtual club after returning to campus to reach even more students.

#### NEW TOOLS FOR VIRTUAL CONNECTION

- Links to all 20 weeks of **Beach Club at Home!** videos for your church website/Facebook page.
- Weekly online feature for parents to register their children so you can track virtual attendance and use that information to connect prizes and Bibles to students and their families.
- Special KBC Resources website with Beach Club downloadable materials to assist you in social media promotion of online clubs, connecting with families, and more.
- KBC Explorer's Study Bible for each registered child in your virtual club who has not previously received one.
- Character education resources provided to your school on your behalf.
- Virtual online training for all of your volunteers.
- Optional, inexpensive opportunities to minister to other schools in your area.

**PLUS GET ALL THAT KiDs Beach Club® OFFERS FOR IN-PERSON CLUBS ONCE YOU RETURN TO CAMPUS!**

### OPTION #2 VIRTUAL SCHOOL ONLY

Limited 24-week KiDs Beach Club® program complete with registration and attendance features, and the virtual connection tools listed above. Does not include use of the KBC curriculum.

### OPTION #3 VIRTUAL SCHOOL ONLY, THEN ADD IN-PERSON SCHOOL

Start virtually, then add the in-person club once your school and volunteers are ready to return.
