JESUS' GREAT COMMANDMENT

from Luke 10:27

You should love God with all your heart, with all your soul, with all your strength, and with your entire mind...every part of you! And you should also love your neighbor as much as you love yourself.

LOVE GOD! LOVE OTHERS!

COMMISSION

from Matthew 28:19-20

As you go through your daily life, you should help people everywhere know how to be followers of Jesus. They should be baptized to show others they are committed to Jesus. You should teach them how to obey what the Bible says. And remember that Jesus is always with you wherever you go until the end of time.

TELL EVERYONE THE GOOD NEWS!
