

CAN KIDS REALLY MAKE A DIFFERENCE?

ABSOLUTELY THEY CAN!

Kids are deeply loved and cherished by God. While on planet earth, Jesus walked from city to city teaching and healing the sick. In Matthew 19, you can read how moms and dads were bringing their children and asking Jesus to pray for and bless their children. The disciples began moving the parents away, not allowing them to see Jesus. This caused Jesus to rebuke them. He scolded His disciples and then commanded that the children be allowed to come to Him. With this in mind, here are a few ingredients to help kids, like you, see your value.

YOU ARE ACCEPTED!

Psalms 127:3 describes how kids are the best gifts God can give a mom and dad. The amazing thing is, there is only **ONE** of you, and you are a **NON-REFUNDABLE** treasure. God loves the fact that you are a kid. He wants you to accept who you are and that **YOU ARE NOT A MISTAKE!**

YOU DO BELONG!

It is God's plan for you to **BE YOU** in the **PLACE** where He placed you. It's no accident. You **BELONG** in your family, in your neighborhood, at your school...**WHEREVER** God has placed you is the place you belong. When you accept that God has placed you perfectly where you are, you gain a great **ADVANTAGE** in life.

YOU CAN CONTRIBUTE!

This one is **BIG!** There is not one kid on this planet who doesn't wish to show that they have value to share. You have the opportunity to give something to your family, school, and neighborhood. Once you start contributing to the lives of your friends and family, you will begin building self-confidence that comes from confidence in God. Choose today to contribute to others. You can start by saying a **KIND** word to someone!

BOTTOM LINE:

Kids are growing up knowing, loving and serving the God of the universe. Kids all over the world are living for **JESUS** in their communities and schools.
