

# SPENDING TIME WITH GOD

**GOD WANTS YOU TO SPEND TIME WITH HIM DAILY.** So, what does that look like? Here's how you can make a plan for spending time with God every day...and stick to it.

## WHEN

Try to spend time with God at the same time each day, even if it's just 5 minutes. Choose what time of day will have the least interruptions, like in the morning before school or as soon as you get home.

## WHERE

Choose a comfortable, quiet place that is free from distractions.

## WHAT

Gather up what you need, like this Bible, a pen, and a notebook. You might also want some other tools, like a dictionary, to help you.

# HOW

## PRAY

- Prayer is simply having a conversation with God.
- When you pray, tell God how wonderful He is. Confess your sin. Give thanks to God. Ask Him for help. Listen for God to speak to you.

## READ

- Read some Bible verses. You don't have to read for a long time. Even one verse might be enough for you.
- If you don't know where to start, try the Two-week Reading Plan on Jesus' Life in the middle of this Bible. Or read one Proverb each day.

## THINK

- Think about what the verse means.
- Ask questions like, "What does this verse teach about God?", "How can I act differently because of what this verse says?"
- Consider ways you can live out what you read.

## WRITE

- In your notebook, write down what you think God wants you to remember today.
- In your Bible, highlight or underline verses and words that are important to you.
- Writing things down helps you remember and understand.

THANK YOU, GOD, THAT YOU WANT TO SPEND TIME WITH ME. I WANT TO LEARN MORE ABOUT YOU AND HOW TO LIVE FOR YOU. HELP ME FIND TIME TO SPEND WITH YOU EVERY DAY. IN JESUS NAME, AMEN.
