

# THE BIBLE IS GOD'S WORD...

...so LOVE IT! LEARN IT! LIVE IT!

LEARNING FROM THE BIBLE DOESN'T HAVE TO BE BORING. Try some of these fun ways to get the Bible into your brain. You might even play some of these games at your KiDs Beach Club®.

## SORT IT

- Get Bible events and facts in the correct order.
- Write each event/fact on a separate card. Mix up the cards. Try to put the cards in the right order. Use a stopwatch and try to get faster each time. Make two sets of cards and race against a friend.
- **TRY IT!** Use "Ten Commandments" or "Fruit of the Spirit"

## MIRROR IT

- Memorize a verse or Bible passage.
- Write out the verse on a large mirror, like in your bathroom. Review the words as you brush your teeth each morning and evening. Erase a word or two at a time until you can say the whole verse from memory. Ask a family member to erase words while you're not looking. You try to figure out which ones are missing.
- **TRY IT!** Use "Bible Verses To Help When You Feel..." or "A Song of Praise to God"

## MATCH IT

- Remember where to find stuff in the Bible.
- Write what you want to remember (story title, Bible verse) on a card with the reference (Book, chapter, verse) on a separate card. Make as many sets of cards as you like. Place all the cards face down. Turn over two cards at a time. Use your Bible to check for matches. If they don't match, turn the cards back over. If they do match, keep the cards. Compete against a friend to see who can collect the most matches.
- Try matching other things, like character words matched with their definitions or examples.
- **TRY IT!** Use "God Is...", "Jesus: The Perfect Example" or "Character Words"

## NAME IT

- Remember who did what in the Bible.
- Select a person from the Bible. Write three facts about that person from their point of view. Example: I was born in a stable. I fed 5000 people. I died on a cross. Ask a friend or family member to read the statements back to you. Respond saying, "Hello, My Name Is \_\_\_\_\_" Example: Jesus. Challenge a friend to create her own facts and try to stump each other!
- **TRY IT!** Use "Bible Heroes" or "Children of the Bible"

## FIND IT

- Practice finding Bible books and verses.
- Hold your closed Bible in front of you. Ask a friend or family member to call out the name of a Bible book as they start a stopwatch. When you find the book say "Got it!" so your friend will know to stop the timer. Practice finding books and improving your time. Hint: It's helpful to memorize the books of the Bible in order so you don't have to use the Table of Contents. Set up a competition with kids in your KiDs Beach Club® to see who's got the fastest fingers.
- **TRY IT!** Use the Table of Contents and try to find every book in the Bible as fast as you can.
