

KiDs Beach Club[®] Vision Comes to Fruition in Schools and Around the World

"Beach Club[®] came in and just solidified the whole thing... and fantastic things have happened since." -Ray Baldwin

"Man can't do this... God had a much bigger plan for the show." -John McGlothlin

Last week we shared an interview with KiDs Beach Club[®] (KBC) founder Jack Terrell, focusing on KBC's origins and the vision God gave Jack of an innumerable number of children sitting at Jesus' feet because of KiDs Beach Club[®].

Nearly 20 years later, we're seeing that original vision of countless kids coming to Christ become a reality.

UP CLOSE AND PERSONAL WITH 3 EYE-WITNESSES

Ray and Nancy Baldwin have been Beach Club[®] leaders in Crowley, TX for 15 years. In that time, nearly 800 kids attended their Beach Club[®] and almost 100 of those precious children made Jesus their Forever Friend. Those are the numbers that we know about —but the impact of Beach Club[®] extends far beyond that. It has given the Baldwins and their church amazing opportunities to influence their broader community for Christ.

"We started taking coffee and donuts and cupcakes every three or four weeks and said, 'Hey, this is for the teachers and the staff. We just want you to know that we love you. We're praying for you.' " - Ray Baldwin

Across the country, each week, children are impacted through our after-school Bible Club ministry. But thanks to Covid, that impact goes far beyond the local schools and into the uttermost parts of the earth through KBC-TV.

John McGlothlin is with CRM Studios and is the producer & director of all 55 episodes of KiDs Beach Club[®] TV. When first discussing the project nearly two years ago, John's goal was to help create a web series for kids to experience Beach Club[®] at home during the COVID-19 lockdown. Now, with two seasons in distribution and another in post-production, John reflects on the remarkable spread of KBC-TV around the globe.

Check out John's story.

By God's grace, Jack's original vision for the impact of KiDs Beach Club[®] is becoming a reality right before our eyes. KBC-TV is now available in *every corner of the world* In 2023, we hope to have our first season dubbed into languages like Spanish, Portuguese, and Farci so that non-English speaking preteens can also learn how to make Jesus their Forever Friend!
