## CULTIVATING CHARACTER ONLINE...

**More than 5 ½ hours.** That's how many hours per day preteens are spending with their devices. Compare that to an average of 20 minutes a day interacting with their parents! Parents & grandparents desperately want to be the one to influence their children, not the unknown digital world where they spend much of their time. They are looking for tools to impart faith and values in their kids. They want to redeem the digital time so quality moments can happen in their home over dinner or at bedtime. At KiDs Beach Club®, we want that, too! **That's why we are partnering with LIGHTGLIDERS to Cultivate Character Online and On the Go!**

LIGHTGLIDERS is a digital world of games, videos, and interactive activities that are fun for preteens. **The difference?** LIGHTGLIDERS encourages faith values and conversations with the people who care about the user the most! Founder of LIGHTGLIDERS Zach Fay created LIGHTGLIDERS to be fun for kids, just like all the other online games. But imagine if kids could play in that safe online

environment but actually grow in their Christian walk at the same time! Embedded into LIGHTGLIDERS are activities, stories, and an online game

world that teaches a biblical worldview, encourages prayer and reflection so kids can grow in their faith, gives kids a vision for real-world service, and creates a catalyst for meaningful conversations.

KiDs Beach Club® (KBC) is partnering with Lightgliders to provide KBC's character-building content. Preteens can play games, earn KBC gear, and learn biblical character all at the same time! In early 2024, we even plan to even have a virtual online Beach Club® in this multi-player game world!
